N.T. Killingley Ltd
 Old Manor Park, Mansfield Road, Temple Normanton,
 Chesterfield, Derbyshire S42 5DQ
 Tel: 01246 859666 Fax: 01246 859777

The Company

The company was formed in 1972 and has enjoyed sustained growth over 30 years to become an award winning contracting organisation.

Our client base includes many County, Metropolitan and Local Councils along with a variety of public bodies, construction companies, architects, developers and private enterprises.

Killingley Earthworks undertake a wide range of activities including reclamation and restoration schemes and offer tipping facilities for inert materials at competitive rates throughout the region.

We pride ourselves on operating a modern fleet of machines with professional operators who are all CITB accredited. Staff training is important to our company, and we understand the value of having a fully trained and experienced workforce.

Our Commitment

Our Policy is to achieve client satisfaction on every project undertaken; Killingley Earthworks have a reputation for quality and service that is recognized throughout the industry and believe that our knowledge and professionalism is clearly demonstrated in our work.

Killingley's are accredited to BS8555 for our Environmental Management, Achilles, Constructionline and CHAS qualified for our H & S systems and have held an Investors in People award since 2001 which combined with the delivery of our services to ISO 9002 demonstrates a high standard of commitment to both our staff and clients.
